### Lunch at Knepp Wilding Kitchen

[Monday 24 June at 12.30pm](#)

Join us for an informal pay-as-you-go group lunch in the café at the newly opened **Knepp Wilding Kitchen** just off the A24 south of Horsham. It's well sign-posted.

There will be the added attraction (before or after lunch) of possible stork sightings and an opportunity (weather and ground conditions permitting) to walk around the estate.

More information can be found by following the link below and exploring the wider website.
